Dear Sir/Madam,

Please find enclosed the comments of the Australian Taxpayers' Alliance (ATA) and MyChoice Australia on the above-mentioned inquiry. Our submission canvasses, with citations, the evidence pertaining to the efficacy and effects of plain packaging policies in Australia and elsewhere. It will also address alternative solutions that have proven more effective in promoting smoking cessation. We welcome the opportunity to provide any further feedback that will assist the Ministry of Health in this matter.

Warm Regards,

Satyajeet 'Satya' Marar
