Subject: Public Consultation on Proposal to Introduce Standardised Packaging of Tobacco Products in Singapore

Dear Excellency,

Re: Public Consultation on Proposal to Introduce Standardised Packaging of Tobacco Products in Singapore, 5 February to 16 March 2018

We refer to the Ministry of Health's invitation for interested parties to participate in the abovementioned public consultation.

As concerned members of the Philippine Congress, we have serious concerns regarding Singapore's proposal to introduce standardized packaging for tobacco products and its potential impact on our citizens.

We would like to respectfully request for the Singapore Government to give due consideration to the concerns raised in our attached submission.

Thank you.

For the Congressman,

Atty. Kenny Dichaves
Chief of Staff
Office of Congressman Maximo B. Rodriguez, Jr.
2nd District, Cagayan de Oro City, Philippines
