INSTRUCTIONS
1. Any person who has made an advance medical directive under the Advance Medical Directive Act may in the presence of at least one witness revoke the directive in writing, orally, or in any other way in which the person can communicate.

2. It is the duty of the person revoking the directive (if practicable) and each witness of such a revocation to notify the Registrar of Advance Medical Directives of the revocation. The notice of revocation may be made in this form, or other ways of writing provided that the particulars of the name, address and telephone number of the person revoking the directive and of the witness, and the date, time and place where the revocation was made, are included. The Registrar will send an acknowledgment to the person revoking the directive when the notice of revocation is received.

3. Please send this form by fax or other means immediately after it is completed to the address given below. If the form is faxed, the original copy should also be forwarded to the Registry.
