

### Five Core Parameters to Reset Our Safe Management Measures (SMMs)

<b><u>Parameter</u></b>	<b><u>Current Posture</u></b>
(1) Group Sizes	No Limit
(2) Mask-Wearing	Required indoors* Optional outdoors
(3) Workplace Requirements	All can return to office
(4) Safe Distancing	Not required
(5) Capacity Limits	No Limit <sup>^</sup>

\* In indoor workplace settings, employees may also remove their masks at their workstations: (i) when they are not interacting physically with others and (ii) when they are not in customer-facing areas. Masks can also be temporarily removed when indoors during activities such as eating, drinking, engaging in strenuous physical exercise, photo-taking, or filming.

<sup>^</sup> While all capacity limits have been lifted, VDS will continue to apply in the following settings, including: (i) Events with >500 participants at any one time; (ii) Nightlife establishments where dancing among patrons is one of the intended activities; and (iii) Food and beverage (F&B) establishments, including restaurants, coffee shops and hawker centres.
