Notes:

- Funerals, funeral wakes or funeral processions held during or before the burial or cremation of the deceased will continue to be allowed 30 participants at any time, and will not be subject to VDS.
- Currently, unvaccinated children aged 12 years and below can participate in activities and events with VDS, but their numbers are capped at 20% of the total activity or event. To simplify ground operations, this cap will be removed across all settings from 1 January 2022.
