

### **MediSave Care Withdrawal Amounts**

After setting aside a minimum amount to ensure adequacy for other medical expenses, severely disabled Singapore Residents aged 30 and above will be able to withdraw up to a total of \$200 per month from their own and/or their spouse's MediSave account. The table below shows the MediSave balances and corresponding monthly withdrawal amount.

<b>MediSave Balance</b>	<b>Monthly Withdrawal Quantum</b>
\$20,000 and above	\$200
\$15,000 and above	\$150
\$10,000 and above	\$100
\$5,000 and above	\$50
Below \$5,000	Nil

The total MediSave Care withdrawal amount for a severely disabled individual is capped at \$200 per month, even if supplemented by the spouse's MediSave.
