List of Approved Providers for Antigen Rapid Testing for Real-time Remote Supervised Self-Swab to Fulfil Pre-Departure Testing Requirements involving Singapore Citizens, Permanent Residents, Work Pass Holders and Long Term Pass Holders situated overseas.

Individuals may wish to take note of the following –

- The Real-time Remote Supervised Self-Swab ART result should only be used for fulfilling the Pre-Departure Test (PDT) requirement for travel to Singapore.¹
- You can tap on the real-time remote supervised self-swab offered by an approved ART providers listed below, regardless of the country or region you are in.
- You are responsible for complying with the regulations and other local requirements from the country or region you will be departing from.
- You will fulfil the PDT requirement only if the PCR test or ART was taken within 2 days before departure for Singapore.
- To better facilitate the testing, please remember to book your appointment early and have your own ART kits ready. Do note that only ART kits that are approved for distribution or use in Singapore or the relevant country or region can be used.

Please note that PDT requirement for travel to Singapore is no longer a requirement. As such, this listing will no longer be updated.
