

## **Vaccination Registration Process for Children**

1. From 18 October 2022, parents or guardians of eligible children aged 6 months to 4 years may register their interest for their child or ward to receive the Moderna/Spikevax vaccination via <https://child.vaccine.gov.sg>. An SMS invitation with a personalised booking link will be sent to the mobile number indicated in the registration form within three to five working days. Parents or guardians of eligible children aged 5 to 11 years will also receive an SMS notification to book their child or ward's Pfizer-BioNTech/Comirnaty booster dose via the personalised booking link provided.
2. Vaccinations will begin on 25 October 2022 at the designated vaccination sites for children (see Annex C).
3. For children aged 5 to 11 years who have yet to receive their primary series, parents or guardians may register their interest via <https://child.vaccine.gov.sg>. An SMS invitation with a personalised booking link will be sent to the mobile number in the registration form within three to five working days.
4. All children aged 6 months to 11 years must be accompanied by a parent or guardian on the day of the vaccination. Please bring along your child or ward's Student Identification or Health Booklet and Birth Certificate, or if not available, other forms of identification (e.g. Passport/Singpass) for verification. Parents or guardians may visit <https://www.gowhere.gov.sg/vaccine> to locate the nearest vaccination site available for your child or ward. The designated vaccination sites will not accept walk-ins for now.
