Subject: Public Consultation on the potential adoption of Standardised Packaging

Dear Sir/Madam,

I am writing to you on behalf of the Association of European Businesses in the Republic of Belarus

The Association of European Business (AEB) is a Belarusian independent non-governmental association uniting leading European companies, which plan to do or do business in Belarus.

We would like to share our views and concerns in respect of the Ministry of Health's (MoH) proposal to introduce mandatory standardised packaging. Herewith we refer to the Public Consultation on the potential adoption of Standardised Packaging and the ensuing consequences that would inevitably result from any implementation of such a regulation.

Thanking you in anticipation for considering our appeal. If we can be of any assistance, please, do not hesitate to contact us.

Best regards, С уважением

Maria Karas/Мария Карась
