*An individual is considered vaccinated if he/ she has been: a) fully vaccinated, i.e. has received the appropriate regimen of World Health Organisation Emergency Use Listing (WHO EUL) vaccines including their respective duration post-vaccination for the vaccine to be fully effective and had their vaccination records ingested in MOH's national IT systems; b) recovered from COVID-19, or c) has obtained a negative result on a pre-event test taken in the past 24 hours before the expected end of the event.

Please refer to the First Schedule of the Infectious Diseases (Mass Gathering Testing for Coronavirus Disease 2019 Regulations 2021) for the most updated information on the vaccination regimens and approved vaccines recognised for eligibility for vaccination-differentiated SMMs.

^Under VDS, children aged 12 years and below, recovered individuals, and unvaccinated individuals with a valid negative pre-event test (PET) result can be included in the group of 2.

- If there is more than one child aged 12 years and below in the group of 2 persons, both children must be from the same household. An individual aged more than 12 years may sit together with a child from a different household.
- For large-scale events, the number of children is capped at 20% of the actual event size.
