

### List of Setting/Events Subject to Capacity Limit (for >1,000 Pax)

<b><u>Large venues/settings*</u></b>	
Attractions	Applies to large attractions which can accommodate more than 1,000 pax, where there are points where crowding can take place, e.g. shows, rides and exhibits
Cruises	Inclusive of the facilities on the cruise ships where this might apply, e.g. large performance venues
<b>Events</b>	<b><u>These events are typically held (not exhaustive)</u></b>
<b><u>Fixed seating</u></b>	
Live performances and Sporting events	Performing arts theatres (e.g. Esplanade, and Victoria Theatre)
	Stadiums (e.g. National Stadium, and Singapore Indoor Stadium)
<b><u>Both fixed and non-fixed seating (whether in configurable settings or standing/walking)</u></b>	
Business events (including MICE events, media conferences and work-related events)	Auditoriums, convention centres, multipurpose halls
Religious gatherings	Auditoriums, places of worship (e.g. temples, mosques and churches)
Wedding receptions/solemnisations <sup>1</sup>	Places of worship, function rooms, multipurpose halls, etc.
Funerals and funerary memorial events (e.g. 7 <sup>th</sup> month)	Funeral parlours, places of worship, function rooms, multipurpose halls, crematoriums, etc.
Social events and larger-scale social gatherings (e.g. gala dinners, D&D events and birthday celebrations)	Auditoriums, hotel ballrooms, multipurpose halls, F&B establishments, etc.

\*For other settings such as shopping malls and large standalone stores, the density limit of 7 sqm/pax (equivalent to a 75% capacity limit) will apply where there are more than 1,000 visitors at any one time.

<sup>1</sup> Home solemnisations will remain capped at 10 non-resident visitors; and home funerals will remain capped at 30 attendees. Refer to the relevant sectoral advisories for more details.
