

# How You Will Benefit From MediShield Life

## Better payouts with MediShield Life

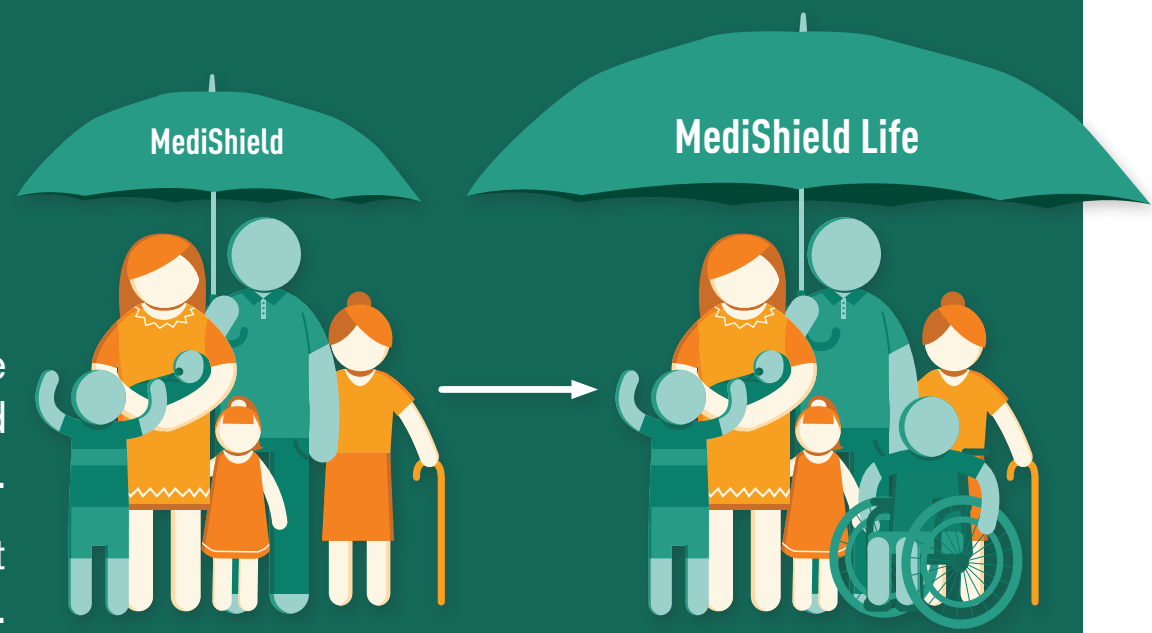

*MediShield Life will pay more, and patients will pay less.*

## MediShield Life will provide Better Protection For All Singaporeans For Life

All Singapore Citizens and Permanent Residents will be protected by MediShield Life, including those who are very old or have pre-existing conditions or congenital abnormalities.

A pre-existing condition is a medical condition or illness that developed before you are covered under an insurance plan.

MediShield Life will replace MediShield in end 2015.
