

Subsidies for MediShield Life Premiums

1 Transitional Subsidies for First Four Years

- For all Singapore Citizens
- Takes care of 90% of premium increase in the first year

Transitional Subsidies for first four years
(In the first year, people pay only 10% of the increase)

2 Pioneer Generation Subsidies for Life

- Special subsidies of 40% – 60%
- Annual Medisave top-ups of \$200 – \$800
- With both, pioneers pay less than for MediShield now

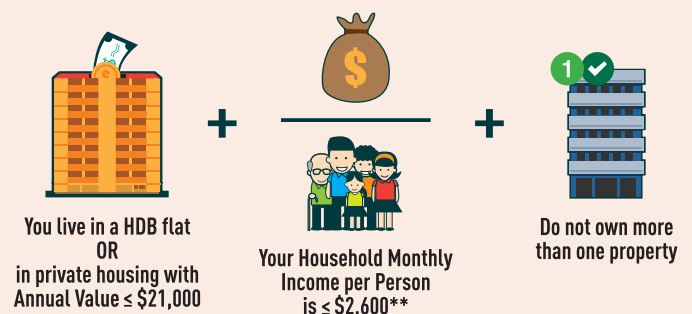

The subsidy is for life!

3 Premium Subsidies for Lower- to Middle-Income

- Premium subsidies of 15% – 50%* for those who are eligible

2 out of 3 households will get this subsidy

If you cannot afford your premiums after these subsidies,
the Government will provide Additional Premium Support.
No one will lose coverage because they cannot afford premiums.

You can estimate your subsidies and premiums here:

* Rates for Singapore Citizens. Permanent Residents get half of these subsidy rates.

** For example, for a four-member household with monthly income of \$10,000, their household monthly income per person is \$2,500. They will therefore qualify for subsidies.
