VISUAL GUIDE FOR VACCINATION

1. I check in and scan my temperature
2. I give them my information
3. I will wait nicely for my turn
4. Someone brings me to a cubicle
5. Nurse will rub a cold wipe on my arm
6. Breathe in and out when I feel a pinch
7. I wait nicely for 30 mins
8. When nurse says okay, I can go home!

<tbody>
<tr>
<td>Mummy/Daddy/My caregiver and I are at the vaccination centre.</td>
</tr>
<tr>
<td>There are many people and noises around me. Mummy/Daddy/My caregiver is with me. I will be okay.</td>
</tr>
<tr>
<td>The staff asks questions about me. Mummy/Daddy/My caregiver can help me to answer.</td>
</tr>
<tr>
<td>I have to wait for my turn. I can sit nicely with Mummy/Daddy/my caregiver.</td>
</tr>
<tr>
<td>It is my turn. I will go in with Mummy/Daddy/my caregiver. The nurse wipes something cold on my arm. It is ok, I can sit nicely.</td>
</tr>
<tr>
<td>I may feel scared. I can stay still, breathe in and breathe out. I can close my eyes. Soon it will be over!</td>
</tr>
<tr>
<td>I will sit and wait for 30 minutes. When the nurse says I’m safe, I can go home!</td>

Social Story: Post Vaccination

After my jab, I may feel unwell...

- Pain in my arm
- Have fever
- Very tired
- Pain in my head

I can rest at home

I can tell Mummy/Daddy/my caregiver

I will feel better after a while. I am protected!
