	Ultrasonography <sup>&amp;</sup>	✓	✓	✓	

*\*Assisted reproduction, outpatient dental and renal dialysis service providers, and providers offering the specified service, Pre-implantation Genetic Testing for Monogenic Disorders and/or Chromosomal Structural Rearrangements, will be allowed to offer the said services via remote provision if they are offered in conjunction with another mode of service delivery (e.g. permanent premises).*

*^Endoscopy services allowed under Outpatient Medical Service (Temporary Premises) will be limited to nasopharyngoscopy and cystoscopy which does not involve any sedation, biopsy, or removal of foreign body.*

*& There is no need to seek approval for these imaging modalities under the Nuclear Medicine Service and Radiological Service and for Nuclear Medicine Therapy, or Nuclear Medicine in vivo Assay. However, licensees are still expected to notify MOH before the provision of such services.*
