

## WHERE ARE YOU ON THE ROADMAP TO HCSA?

Ensure you comply with the following by 3 Jan 2022:

- General Regulations
- Advertising Regulations
- Code of Practice for Key Officeholders
- The specific **Service Regulations** for your Phase 1 licence(s)

Participate in consults on general & relevant service requirements

**Before 9 Sep 2021:**

Scan to register for training on how to use the new HCSA licensing portal (HALP)

**16 or 23 Sep 2021:** Attend your chosen HALP training session

**From 1 Oct - 30 Nov 2021:**

- Complete your Data Verification Exercise in HALP\*; then
- Submit your licence renewal in HALP

**From 3 Jan 2022:** Manage your licence in HALP (more details will be provided later)

**\*On 3 Jan 2022**, your PHMCA licence will be automatically converted to a HCSA licence with the same tenure (i.e. no change in the expiry date). **You must complete this for the information on your HCSA licence to be reflected accurately.**

Licensees for **Clinical Laboratory and Radiological Service will not be able to use eLis** from 1 Oct 2021.

However, eLis remains accessible to all other licensees."
